Your benefits

Plug in and work successfully. That's
the special OPUS A4 CoDeSys offer
in limited edition. Order today and get
your kit for an amazing price plus a
package of advantages!

Get the OPUS A4 with video ability,
a color camera with cable, our com-
plete development kit including the
CAN and power supply cables, our
PEAK interface for easy downloading
of new projects, and PcanView and
CoDeSys 2.3. software! So you can
use one CoDeSys application envi-
ronment to program and adjust the OPUS
control unit as well as your ECU.

To provide a view that simulates the
driver position, the OPUS A4 is mount-
able to a special edition desktop rack
which is also included in this kit.

To find the best solutions for your appli-
cation, you can also get free personal
training in Elgin, IL! And **order
by March 15, 2010 to get free
technical support for 1 year!**
